TEACHER OF ICT AND COMPUTING - MPS

Charnwood College was formed by the joining of neighbouring Burleigh Community College and Garendon High School in the summer of 2012. This landmark move – pooling the two school’s resources, staff and teaching practices for the benefit of students – created Loughborough’s first all-through school offering fully comprehensive education to young people aged 11 to 19.

Charnwood College prides itself on the fact that we value equally the education of every individual, whatever their talents or background. Students are expected to respect others, take responsibility, be community-minded, work hard in lessons and to achieve their potential. We, in return, continuously strive to deliver high quality teaching, strong discipline and a supportive environment.

We require from September 2014, a creative and highly motivated teacher of ICT and Computing. ICT and Computing are taught throughout the College, to all abilities and at all levels, including GCSE, BTEC and A Level. An interest in teaching Accounting would be an advantage. Applicants should have experience of specialist teaching within the ICT and Computing area.

Charnwood College is committed to safeguarding and promoting the welfare of all children and young people and expects all staff and volunteers to share this commitment. An enhanced DBS check will be required for all successful applicants.

For an application pack, please contact College Reception on Tel: 01509 554400 or see the College website http://charnwoodcollege.org/vacancies.php

Please send your letter and completed application form to Mr Mark Sutton, Principal, Charnwood College, Thorpe Hill, Loughborough, LEICS, LE11 4SQ or by email to marilyn.phillips@charnwoodcollege.org

Your letter of application should:

- be no more than 2 sides of A4 in length
- relate your experience to the key elements of the job description and person specification

Closing date for receipt of applications is 19 May 2014. Interviews will take place on Thursday 22 May 2014.
