

Coats in school

- Please be aware that this is the only type of coat permitted in school for years 7 – 11
- It is part of the uniform and must be worn over the blazer not in place of it
- Together the two layers should give sufficient warmth outdoors in cold and wet weather
- It is available from the *Academy School Uniforms website* priced at £18.95
- Students can borrow a school coat on a daily basis while awaiting orders – they just hand in their other coat at student reception
