The student directory must be used to complete this section. You must choose at least two sectors from the choices above and number them in priority order. For each choice you must choose at least one job role to go with the sector. LEBC will look within the whole sector for a placement if they are unable to secure your preferences.

If you choose sport please note that you may have to do a swim test as part of the interview so please do not tick this as an option if you are unable to swim.

If you choose teaching assistant we need to know your primary school. Some schools will only take previous pupils whereas some schools will not accept previous pupils.

Please make sure your sector choices are numbered and your job roles are clear as if LEBC need to clarify this with the school it may delay the placement process.
