WELCOME BACK

We warmly welcome our new Year 7's and welcome back our pupils at the start of the new 2018/19 academic year. Pupils look smarter than ever, taking 'Pride in their appearance and school'. The campus is looking fantastic and we have much improved the learning environment with the newly refurbished G Block and improved grounds.

Staff are planning lessons with good effect and we have shared clear expectations on our 'ready to teach' policy and with pupils on their 'ready to learn' policy. The 'PEN' shop is well stocked with stationary and equipment available for all pupils at break and at lunch time.

We start the year with our mission statement in mind 'To broaden the horizons of young people through a world-class education'. In order to help achieve this we will soon be launching our reward policy that will reward pupils that demonstrate the School and DRET values of:

Aspiration (Always aiming high)

Ambition (Being the best we can be)

Courage (Nothing holds us back)

Respect (Always leading by example)

We will report more on this and the newly refurbished areas in a later newsletter.

EXAMINATION SUCCESS

The school is pleased with this year's exams results.

Alastair O'Connor, Principal at Charnwood College, said: "I am delighted to see so many of our students celebrating their successes. This is a true reflection of the hard work and dedication of our students, staff, and the fantastic support we receive from our parents."

Full story can be seen in our NEWS STORIES on the banner on the left hand side of this page.

"I would like to thank all of my teachers for the amazing support, especially around the additional revision sessions that took place leading up to the exams." Student quote 2018
