WEEKLY ROUND UP

OPEN EVENTS

We would like to thank all pupils for their help in our open evenings. We had an unprecedented amount of interest for places in 2019 and our pupils were a credit to you and the Academy. Over the three days we had 150 families through our doors and the Academy looked amazing.

'Staff are so welcoming. I'm reassured and confident my child will be provided for both educationally and emotionally'

'At the open day we found the Principal's presentation very useful, presenting a positive image of Charnwood and his aspiration for the school which is clearly on an upward trajectory. The team came across as committed.'

BROWNLEE FOUNDATION TRIATHLON

Over 1200 children from across our local primary schools including our own Year 7 pupils, enjoyed a magical day on Tuesday, experiencing a mini triathlon. We would like to thank the Brownlee Foundation, our Sports Enrichment Officer, Lewis Austin and our sixth form volunteers, for making this such a memorable occasion. Well done to our Year 7's - what a lovely atmosphere.

DRET ALL STAR FOOTBALL/RUGBY AND NETBALL

We were proud to host the DRET All Star Trials at Charnwood College. The programme allows the very best of talent to come together from across 34 Academies (13,000 pupils) and then select one team that can compete against the very best schools across the country. Letters are officially on their way!

MEET THE TUTOR

Last Wednesday 26th September, the Academy staged Meet the Tutor event, allowing the Tutor to meet either face to face or the time to make phone calls with a number of parents/carers within their group. The Tutor is the first point of call for pupils and their parents. If you would like a conversation with your tutor then please do not hesitate to call the office for their email or to arrange a meeting.

One of the Roles of the tutor is to ensure pupils maintain good attendance. Research shows that attendance at school and academic performance is well linked. The Academy has set an attendance target of 97% and has scheduled monthly assemblies to reward students that meet this criteria as well as two reward days.

The evening was very timely and allowed me to meet my Son's tutor and put a name to a face. We have already had several conversations this year, but It was so nice meeting her and reinforced how caring and supportive she is.

SCHOOL NURSE

We would like to bring your attention to the Academy's School Nurse. Pupils can self-refer to the school nurse by using our confidential **CHAT** Health text messaging service on **07520615387**, this can be to ask for information or advice or to book an appointment. We also have a Parent CHAT Health text messaging service on **07520615382**, for parents to get information and advice. We also provide a sexual health drop in service on Monday lunchtimes in G111, no appointment required

FUTURES DATES

- Dance Show (Wednesday 10th October)
- Winter Cup (Thursday 11th October)
- Visit to Beth Shalom Holocaust Memorial Centre (Monday 15th October)
- Year 11 Parents Evening (Wednesday 17th October)
