NEWS STORIES

Excellence Evening. It was wonderful to celebrate with parents, pupils, staff, Governors and special guests at Wednesday's excellence evening.

WEEKLY ROUND UP

Wednesday the 12th of September, saw the Academy celebrate with parents, pupils, staff, Governors and special guests at our Annual Excellence Evening. The evening is a celebration of both our Year 11's and 13's in recognition of their final GCSE and A level results. Each faculty awards a pupil who has excelled at either GCSE or A level in their subjects, as well as the Academy awarding pupils who have excelled across the board.

We would like to thank all that attended, wishing those that are going onto work, apprenticeships, Further Education or University the best of luck and to our special guests and sponsors (Mrs. Barrett from the Jim Shahi family pictured top left and Rod Bond pictured middle left).

Jim Shahi was an ex student who has now sadly passed away. The family continue to stay very good friends of the Academy, attending the annual event and gifting generous donations. We continue to remember both his name and life through naming our central venue as the Jim Shahi Hall.

MUSIC

Wednesday 19th September saw pupils from Charnwood College attend the Mayor of Charnwood Civic Service at All Saints with Holy Trinity Parish Church. Musicians took part in a massed schools' choir performing 'Imagine' by John Lennon and 'A million dreams' from 'The Greatest Showman'. Well done all, we are very proud of our Choir and want to continue to expand this as we move through the year. If interested in joining, please see Mr. Welsford.
