WHAT HAPPENED LAST WEEK?

On Tuesday the first LCFC Community Trust training session commenced, which saw high attendance from both our year 7 and 8 footballers. Fixtures in football and netball took place during the week, with 2 wins and a loss. Rain prevented our fixtures on Thursday evening and these will be re-arranged at a later date. On Friday 10 of our Year 7 girls got the opportunity to take part in a netball master class at Malcolm Arnold Academy, which was a fantastic opportunity to be coached by an elite player!

FIXTURES

A fantastic week of fixture results for Charnwood College, out of the 4 fixtures taking place this week, we won 3 and lost 1. Unfortunately due to the bad weather our fixtures on Thursday had to be cancelled, although they will be rescheduled in due course, when both ourselves and Woodbrook Vale can fit them in.

6TH FORM FOOTBALL

The 6th form football team successfully beat Loughborough College in a 3-2 thriller on Wednesday night. A goal from Mo and a brace from Jordan, saw Charnwood College come from 2-0 down to seal victory before their first game of the season on the 26th September.

NETBALL TALENT DAY

On Friday 10 of our year 7 Netball players had the opportunity to travel to Malcolm Arnold Academy where they took part in a netball talent day. The talent day consisted of a masterclass on the basic fundamentals delivered by a VIP Netball coach, which the year 7 students fully enjoyed and engaged with.
